Here's what this book will show you:

- How to benefit from your China ESL teaching experience so you can leave with tons of remarkable, pleasant memories.
- What documents to prepare before boarding the plane, so you fly through customs and don't end up going to jail after a dispute with the school.
- How to identify teaching positions in China, negotiate the right salary, and pick the best location that allows you to explore and travel while thoroughly enjoying your experience living in China.
- How to get the right visa for your English teaching job so you don't end up getting fined or deported working on the wrong visa.
- Items to prepare and bring with you to make your stay in China more pleasant and enjoyable.
