

Coming Home to Myself

The no-holds-barred memoir from the beloved music superstar. From the heart of one of the most beloved performers in music comes a candid memoir of professional triumph, private heartbreak, and personal victory—a coming-of-age account of a very private search for harmony and a very public rise to fame. Coming Home to Myself is the result of that emotional journey—a song of personal discovery that taught Wynonna Judd to love not just what she does, but who she is. From a truly exceptional woman comes an unexpected memoir of survival, strength, hope, and forgiveness, filled with an exultant and empowering message certain to resonate with those who have dreamed of finding themselves, and who only needed the courage and inspiration to begin their own journey.
