

Dirty Teaching: A Beginners Guide to Learning Outdoors

Juliet Robertson offers tips and tricks to help any primary school teacher develop variety in their teaching. One of the keys to a happy and creative classroom is getting outside the classroom and this book will give you the confidence to do it. This volume contains a wealth of ideas from cheat sheets to activities that allow teachers and parents to encourage outdoor learning and improve student participation. There is no need for expensive tools or complicated technologies; all you need is your coat and a passion for learning oh, and youd better bring the kids too!
