

## Enrichment: Creative Writing

Do your Gifted and Talented students finish their work early and crave something challenging and fun? Do you need Enrichment materials to keep your students learning and exploring? This workbook has 100 pages of unique and interesting writing activities to get their creative juices flowing. You will find titles like: Do monkeys fall in love? The honeybee and the selfish flower How to play hide-and-seek What makes a baby smile? The kid who liked to go fast What if you were a flower? The tree that fell What might a banana say to a monkey? My favorite game at school The dragonfly that liked yellow flowers Is it wrong for a wasp to sting a kid? What would a monkey smile about? The rock that could sing How to climb a tree And so much more Use these writing prompts at the end of year, for summer growth, for early finishers, for your Gifted and Talented, at a Writing Center, for emergency lesson plans (sub), on Friday afternoon, for morning work, or any time of year. But first, take a Look Inside to see several sample pages. You will like what you see as Ive put together the most interesting pages from my creative writing workbooks (I have published over 500 workbooks).
