

Glimpses of Welsh Life and Character (Classic Reprint)

Excerpt from Glimpses of Welsh Life and Character Writing in the spirit, though not in the letter of the Welsh language, I have endeavoured to give glimpses, or faithful sketches, rather than studies of life and character in Wales. My object has been to awaken English interest in the land and life of the Cymru. Travellers and tourists are acquainted with the popular resorts, the mountains, the cities, and important towns of the Principality, but the remote districts of Wales are unknown to them. The population, the customs and habits of the peasantry in South Wales are familiar only to the few pedestrians or others who leave the beaten tracks and railway routes for the byways, lanes, and bridle-paths of unfrequented neighbourhoods. There the old British character, though modified by the influence of ages, still retains much of its ancient individuality, and the Welsh language, together with a quaint and peculiar Anglo-Cymric patois, survives the great changes that affect the world. About the Publisher Forgotten Books publishes hundreds of thousands of rare and classic books. Find more at www.forgottenbooks.com This book is a reproduction of an important historical work. Forgotten Books uses state-of-the-art technology to digitally reconstruct the work, preserving the original format whilst repairing imperfections present in the aged copy. In rare cases, an imperfection in the original, such as a blemish or missing page, may be replicated in our edition. We do, however, repair the vast majority of imperfections successfully; any imperfections that remain are intentionally left to preserve the state of such historical works.
