

Just Go! A Global Guide to Budget Travel: Enhanced and Enlarged Edition. 2015

Most people set their sights on a trip to Disney World , John Cross goes to Churchill Manitoba to watch Polar Bears. This is an adventure book full of historical and personal anecdotes rather than your usual travel guide. A great read for the daring traveler. -Frank Hyland, former Atlanta Journal writer and editor, and best selling biographer. Travel is fatal to prejudice, bigotry, and narrow mindedness, and many of our people need it sorely on these accounts. Broad, wholesome, charitable views of man and things cannot be acquired by vegetating in one little corner of the earth all ones lifetime. -Mark Twain Just Go! will be of interest to the arm chair traveler, or the traveler who is contemplating a trip. It includes budget ideas and travel tips to plan a trip. This book will inspire and motivate the would-be traveler. The reader will find history and culture integrated into the narrative. The book does not include every country as does some of the competition, but takes a global view. The reader develops a respect for the culture of other peoples. It is not ethnocentric. Just Go! has many competitors. Lonely Planet and Fommers are the foremost. The author firmly believes the intrepid traveler will find the book an inspiration and motivational. This travel book is the life experiences of the author where man meets the world. May you benefit from the authors travel experiences. Follow your dream. There is no limit to the beautiful travel memories you may accumulate in your lifetime of travel. The author simply recommends that if you get an idea for travel, Just Go. You will have a world of experiences and memories. Follow your dream and Happy Travels. He who is outside his door already has the hardest part of his journey behind him.
