

## Journeys (Play Foundations)

In Play Foundations Journeys, the theme is explored through five chapters focusing on different ways in which children discover journeys, including activities related to transport, going out and about, holidays, animal journeys and storybook journeys to help them develop their understanding of the world around them. - Top tips for how to ensure the needs and interests of each unique child are provided for through challenging, enjoyable activities and positive relationships - Guidance on setting up enabling environments using both indoor and outside areas - Ideas for how to differentiate to meet the varying abilities and rates of development with advice on assessment through observing, reflecting and planning - A straightforward planning chart to clearly identify the focus of each activity by prime and specific areas of learning
