

Molly Moccasins -- Apples Are Awesome (Molly Moccasins Adventure Story and Activity Books)

Molly Moccasins is a new kind of book series encouraging all young adventurers to read, play, think, investigate and imagine in their everyday lives while supporting early learning and literacy development. Within each story, Mollys toes tingle in her special moccasins inspiring adventure and reminding her that, a curious mind is never bored. In this story, Molly and her family go a friends apple farm for a big apple picking party. Wow. There is so much to learn about apples. There are many different kinds that live in different climates, all of them taste differently and then there are all of the delicious foods you can make with apples. It is a big day for Molly as she discovers that apples are not only fun to pick, they are also fun to eat and awesome to share! This version also includes: - story related activities - fun facts The creators of Molly Moccasins are dedicated to helping children around the globe so, for each story purchased, a story will be given to a child in needstory for story.
