

Please say Thank You

A little book about good manners for children. Give this educational little book to your grandchildren, your nieces and nephews, any little tot in the family who loves to hear a bedtime story about how they can learn and grow into a child with good manners. Good manners come naturally to children, but sometimes adults forget to remind them about how to use them. A quick read at bedtime will let your children know that you are helping them to be the best they can be.
