

Remember Elvis

Remember Elvis is an all-encompassing, in-depth look at the life and career of a man whose popularity is unrivalled in the history of show business and who continues to attract millions of new fans each year. This groundbreaking book is brimming with rare interviews, insights and experiences. At the heart of this landmark project are over 200 interviews with many of Presley's most intimate associates, as well as some of the biggest names in the film and recording industries. Joe Esposito spent nearly twenty years as Elvis's confidant, close friend and road manager. Joe helps set the record straight about Presley's private life and career, dispelling the innumerable lies, half-truths and rumors that have evolved over the years.
