

Judi Dench: Scenes from My Life

This marvelous collection of images, many of which are drawn from Judi Dench's personal photo albums, offer the actress many fans a rare insight into her life. John Miller, her biographer, has augmented Judi Dench's own photos with images depicting 50 years of distinguished work in film, theater, and television. From her childhood in York and her first work as an actress in her teens, to recent informal shots backstage and private family photos, these images show Judi Dench as never seen before.
