

Sixth Class in an Irish Primary School

This book describes aspects of life in Sixth Class in Irish primary schools. Sixth Class is a special year. It is the final year of primary school, before students start in secondary school. It is a busy, eventful year, and one when students look to the past and to the future. The book contains chapters on the following topics: Irish primary schools; the Fifth and Sixth Class curriculum; schoolwork; choosing a secondary school; special roles and duties; the usual routine; secondary school is on the horizon; changing students; memories; mixed feelings about leaving primary school; special activities; the graduation; and the last month. The book contains about 15,800 words. The author has also written twelve other books.
