

The Secretive Secrets of Secret Societies: [Novelty Notebook]

Do We Have Your Attention? How did you feel when you first saw our cleverly crafted bookcover? That's exactly how you can make others feel when you add this little gem to your collection of unusual possessions. Who are we? We are Book Mayhem, purveyors of novelty notebooks disguised as bizarre paperbacks. This is NOT a book! It is a notebook cleverly disguised to look and feel like a quality paperback. If you leave it on your coffee table, desk, or bookshelf, a simple observer will have no clue to its true identity. When you open the book, you will find finely lined pages for you to take copious notes about your life musings and/or anything else you feel like writing. Why? We're pranksters at heart, and we have created these little gems to help you mastermind subtle but efficient ways to mess with people's minds. Think of this as the perfect weapon for the introvert that wants to create a lasting impression on people that don't mind their own business. Click on the Book Mayhem author link to see all our available titles or visit bookmayhem.com for more information. We also create fully functional novelty books that will make people wonder where the heck you found such titles. Our imagination has no bounds, so if you keep buying our stuff we will continue to produce the strangest books and notebooks you've ever seen. If you're looking for an amazing last minute gift for a loved one or you have a passive aggressive message to deliver, you know what to do. Buy our stuff. - Book Mayhem
