

# One Snap (That Girl Book 12)

A travel narrative of my transformative trip to India. As a product support specialist in the thriving dot com industry in San Francisco in the 2000s, I was invited for a once-in-a-lifetime opportunity to hang out with the outsourced live-chat night shift agents. We tour the southern half of the continent by train, plane, and by Ambassador. I do the Hokey Pokey at Pizza Hut, wear plastic shoes that look like uncooked steaks, and get attacked by a pack of wild monkeys. Come along & enjoy the ride
