

The Puppy Twins, Backyard Colors

Josephine and Napoleon are the Puppy Twins, two white toy poodles. They have many adventures and invite you to join them as they learn all kinds of things. In this adventure, they explore the colors in their backyard. The Puppy Twins is a simple book that young children can learn to read. As they follow along, they will also learn the colors and have fun matching the colors to the object of that color. Mrs. Judith Rex Dudugjian was in education for 34 years. She received a Master of Science in Reading degree from Old Dominion University in 1987. She served as a reading specialist at the building level as well as a teacher specialist at the district level in the Norfolk Public Schools. Mrs. Dudugjian, Auntie Rex, hopes that The Puppy Twins adventures will be childrens favorites now and in the years to come.
