

# Udemy Profits: Instant Credibility and Ongoing Profits!

Udemy Profits was written to introduce trainers, teachers, students, and learners to the online learning portal of Udemy. Udemy offers over 7,000 courses in a variety of subjects such as business, technology, design, languages, health, fitness, and many more. Price of courses range from free to a few hundred dollars with most in the \$29-\$99 range. Course length varies from one hour to several hours of instructions. This book instructs teachers and trainers on how to prepare courses for presentation on Udemy where the course can generate up to 70% commission for the trainer. The courses can be accessed around the world, anytime, anywhere greatly expanding the trainers ability to present their expertise to interested participants.
