

## Walking in the Jungle/A Very Hot Day Big book (Cambridge Reading)

Cambridge Reading is a major new reading scheme providing stimulating books and support materials for the teaching of reading throughout the primary years. Key features include: a coherent yet flexible structure for teaching and learning; a variety of attractive picture books; a balance of text types and genres, including stories, poems and information books; an integrated phonics programme; comprehensive support materials. Walking In the Jungle and A Very Hot Day are two books from the Beginning to Read stage of Cambridge Reading that have been reproduced together in a format large enough for a teacher to read the text while displaying it to a group of children. This allows the teacher to demonstrate early reading skills, and provides the group with a shared experience of the same text.
